

CENTRAL COAST WATER AUTHORITY

MEMORANDUM

September 26, 2011

TO: CCWA Project Participants

FROM: John Brady, Operations Manager/Engineer

SUBJECT: 2011 DWR Scheduled Coastal Branch Shutdown

The Department of Water Resources (DWR) has finalized its schedule for the annual maintenance shutdown for the Coastal Branch of the State Water Project. DWR will shutdown water deliveries for two weeks in early November 2011. To accommodate DWR's schedule, CCWA staff will shutdown participant turnouts as follows:

- All turnouts will be shutdown **between 7:00 AM and 12:00 noon on Friday, November 4, 2011**

Once DWR is complete with their winter maintenance work, CCWA will activate turnouts and resume water deliveries as follows:

- Water deliveries will begin at all turnouts at approximately **12:00 noon on Monday, November 21, 2011**

If there are any changes to the above schedule, we will inform you as soon as practical. Thank you for your cooperation. If you have any questions, please call me at (805) 688-2292 ext 228.
