

NOTICE TO STATE WATER PROJECT CONTRACTORS**Date: March 18, 2022****Number: 22-03****Subject: 2022 State Water Project Table A Allocation Decrease from 15 to 5 Percent****From:** 
Ted Craddock
Deputy Director, State Water Project
Department of Water Resources

Based on the driest January and February in more than 100 years and other aspects of current water supply conditions, the Department of Water Resources (DWR) is decreasing the State Water Project (SWP) Table A Allocation from 15 percent to 5 percent of most SWP long-term contractors' 2022 requested Table A amounts. Attached is the revised 2022 SWP allocation table.

In addition, DWR will continue to allocate water to meet the human health and safety (HH&S) needs as defined in NTC 21-07 issued on December 1, 2021. Please note that this revised Table A Allocation will continue to reduce, on a 1:1 basis, any HH&S need volumes that were previously identified in the SWP contractors' submittals to DWR.

This Table A Allocation decrease is made consistent with the long-term water supply contracts, legal requirements, and public policy. In determining available SWP supplies, DWR has considered several factors including SWP contractors' 2022 demand, existing storage in SWP conservation reservoirs, estimates of future runoff under very dry conditions, SWP operational and regulatory constraints such as, federal Endangered Species Act, California Endangered Species Act requirements, and water rights obligations under the State Water Resources Control Board's authority. DWR may revise this and any subsequent allocations if warranted by the year's developing hydrologic conditions and available SWP water supplies.

To develop the 5 percent water delivery schedule, DWR will utilize the SWP Contractors' 5 percent schedules that were submitted in October 2021 (as part of initial requests), including any subsequent updates that may have been provided to DWR. If a Contractor foresees significant changes to previously submitted schedules (including HH&S needs), they are requested to communicate such changes to DWR at the earliest possible time. DWR will provide approved monthly water delivery schedules to the SWP Contractors.

If you have any questions or need additional information, please contact John Leahigh, Water Operations Executive Manager, at (916) 902-9876.
